# Forward

Thank you to all the groups and organisations that provided us with your information. As can be seen from this directory there are a huge amount of clubs and groups in Ballyfermot/Cherry Orchard that provide wonderful opportunities for young people to be active and contribute to society. We want to thank the young people who worked on this project and the researchers Aaron Leddy and Jessica Fenech for collecting the information and putting this together.

We also want to thank our designer Roberto Tusa for his patience and to the European Union for Year of Youth funding.

We hope this directory will be of tremendous benefit to young people and their families.
